# What is Keep Pickens Beautiful?

Keep Pickens Beautiful is a Pickens County, nonprofit, volunteer organization founded in 1989 and affiliated with Keep America Beautiful. Our work is focused to sustain litter reduction and voluntary recycling along with projects that enhance the beauty of our environment and improve solid waste management. Keep Pickens Beautiful seeks to improve our quality of life by eliminating litter through increased public awareness. A key part of waste reduction is conservation using natural resources wisely and using less than usual in order to avoid waste.

## *Where can you make a difference?*

### *Start with the 3 R'S*

#### **Reduce**

Make wise package selections  
Carry cloth bags to shop  
Say no to junk mail  
Use durable items

#### **Reuse**

Make use of travel mugs and reusable beverage containers.  
Donate used clothing, furniture, books or kitchens accessories to a thrift store or have a yard sale. In addition purchase items from thrift stores and yard sales.

#### **Recycle**

Recycling occurs when you save and take reusable materials to designated recycling centers where they are then sorted and shipped to manufacturers that convert them into to new products. Georgia has a large recycling presence in the U.S.

**Start today being part of the solution by becoming a member of Keep Pickens Beautiful.**

Your dues are used to further recycling by reducing waste, education, beautification projects, and litter control.
