

KEEP AMERICA BEAUTIFUL AFFILIATE

Recycled Birdhouse & Bathouse Competition

OFFICIAL RULES

- At least 90% of all parts of the Bat/Birdhouse must be recycled from some previous use. Weather-resistant glue, silicone, aluminum or copper wire, and nails or screws may be used to bind your parts together. Art materials such as weatherproof paint and permanent markers may be used.
- Each entry must include a 150-word (maximum) Design Statement that explains the Bat/Birdhouse design, results of testing you have completed to document the Bat/Birdhouse's ability to attract birds, and instructions for how the house should be placed and cared for. A parts list must also be provided. (See entry form.)
- Families, groups, and individuals are welcome to compete as a team. All members of the team must have participated in some element of the design and implementation.
- Bat/Birdhouses must be durable enough to withstand normal outside conditions and sustainable with reasonable maintenance requirements.

SUBMISSION

Completed bat/birdhouses with written application must be submitted to the Keep Pickens Beautiful office between the hours of 11am and 3pm from April 21 through April 23. Bat/birdhouses submitted after 3pm on April 23 will be disqualified from the competition.
